**Read Like a Detective**

***The Lady, or the Tiger?***

**Directions:** Read like a detective. As you re-read *The Lady, or the Tiger* by Frank Stockton, find clues (quotes) from the story that lead the reader to believe that the young man was led to the lady or the tiger's door. Find at least three clues for each side. After you have gathered your evidence, write an ending to the story on the back.
